

Code Enforcement Report

Village Board Meeting February 14, 2022

Spoke with the homeowner on Winding Way about junk vehicles and yard clutter. I was assured the yard would get cleaned up.

Received a call about renovations for a home on Spring Street referred to County.

Called homeowners on Spring Street and Main Street about snow removal on sidewalks. Following up daily.

Homeowner called about the installation of a pellet stove and I suggested calling a professional installer.

Issued a Septic Permit for a new installation on Hall Road and overseen pipe repair on Caswell Street.
