

Code Enforcement Report

Village Board Meeting May 09, 2022

Took Afton Police on three (3) Village complaint calls 2 on Main Street 1 on Caswell Street.

Received a call about an Elevation Certificate for home on East Main Street referred them to Flood Plain Manager Steve Fox.

Was called to ask for help with Property Lines at a home on Caswell Street for a fence. Suggested the homeowner to get the property surveyed to avoid issues down the road.

Received a call about 164 Main Street asking what Codes were violated and referred to Chenango County.

Homeowner called about a Building Permit to install a home generator on Caswell Street. (\$50.00 fee)

Followed up on a complaint of a ditch dug at 77 Main Street causing water to spill into the sidewalk. Spoke with the owner they will take care of the problem.

Received a call asking for the name of the General Contractor for Afton Central School referred caller to School Website and to contact School Main Office.

Contacting owners of uninhabited homes about keeping the lawns mowed.

Continuing to work on Unlicensed/Unregistered Vehicles.

Attended a Planning Board Meeting.

Any Problems or Concerns please feel free to call.
