Historian Hours

In the month of January 2025, things have been a bit slow due to illness. 10 hours have been spent on Historian work from home, 3 hours in the County Clerk Records Department, and 2 hours in the office.

Separate from the job of Historian, yet acting as the Historian as per the Historical Society By-Laws, I also spent 4 hours at the Afton Historical Society this month, note that I do not count the hours worked at home for the Afton Historical Society in my time counts.

Activities of the Historian this month.

1. This month has been mainly dedicated to research on families by requested information.
2. Diary transcriptions.
3. Learning about grants, and teaching myself the best way to write them for best outcomes.

There have been 4 phone calls for the historian this month, no visits to the office that I am aware of, and 2 emails for information.

My apologies to all that I will not be attending this weeks meetings as the next germ in line has hit me, and I fear this one is called "flu".

Stay safe, stay healthy, and I'll hopefully see you all soon without germs to share.

Sincerely, Mel. Hager, Afton Historian.
