Budget Workshop Meeting**

Minutes of the meeting of the Board of Trustees held April 7, 2022 in the Susquehanna Room, 105 Main Street, Afton.

Present: Mayor Nickerson, Trustee Lawrence, Trustee Humphrey, Trustee Komorowski, Trustee Winans, Clerk/Treasurer Palmatier and DPW Supervisor DeBetta.

Visitors: None

- Meeting called to order at 6:30 pm by Trustee Lawrence.
- Trustee Lawrence expressed her concerns for the Cemetery Association. She feels as though the village should allocate more funds in their current budget to help them with their cost of operations. She presented the village board with a breakdown of their income and expenditures. After discussions, it was decided that the current amount that the village allocated towards the cemetery contractual expenditures of \$750.00 for this current budget will remain.
- Mayor Nickerson stated that she wanted to discuss at the next regular board meeting the possibility of raising the current water rates, as this has not been done since 2008. This would allow for the village to increase their revenue. There were discussions of water meter placement within the village.
- Mayor Nickerson asked if everyone had viewed the revised budgets from the last budget workshop meeting. If there were no questions or concerns then we should be set for our next meeting.
- Motion made by Trustee Humphrey, Seconded by Trustee Lawrence, to adjourn at 7:40 pm. All in favor, motion passed.

Respectfully submitted,

Ann Palmatier
Clerk Treasurer
