- 1) The minutes, of the April 3, 2023 meeting, were approved upon motion of April Leggett, and second of Bill Hosier.
- 2) Code enforcement Officer Jeff Butler presented a request from Buel Fuels . They would like to install a 500 LB propane tank to be able to refill BBQ Tanks (20lbs) and larger tanks. This is outside of the permit they were given to store empty 100 lb tanks prior to be set on locations for customers and maintain a business office at the 214 Main St. site. We will need to do some research to find out about this.
- 3) The Fence law was presented to the Board of trustees at their last meeting. They had some questions.

- 6) Next meeting will be on June 5, 2023.
