Department of Health
**Immunization
Clinic Schedule**

Beginning March 1st 2022 we are offering our weekly vaccine clinics. Vaccines are available for uninsured or underinsured infants, children, adolescents and adults. Call 607-337-1660 to schedule an appointment

Chenango County Immunization Clinic services are open to the public. Children under 18 years of age MUST be accompanied by a parent or legal guardian. Please bring the patient’s immunization records and insurance information to the appointment. Ask billing and fee questions when making your appointment.
